Part V (P. 7)—"The Germans have hanged the children from her school" and (P. 9)"The Pope of Rome sends his blessings to German heroes. The Holy Father has since longed his fate with yours. Dear Aragonio! Export Papal Royalties against Bolshevism. I wish that you would occupy the thrones of St. Peter. You are a real Nazi! You should wear not the clergyman's frock, but the uniform of a storm-trooper".

Part VI (P. 11)—"The business circles of America support us", "Communism is not only the enemy of Germany. We are advanced guards, we are needed by England and America. Do you think that Churchill sincerely supports Stalin?"

Part VII (P. 13)—"American air attacks...oh, these American daily air attacks are merely an advertisement". "You have to liquidate your lunatic. It is too late to change Hitler. Besides, he exercises influence upon the men in the street." "Where and how? In Stockholm the representative of 'Armstrong Vickers' will be awaiting the representative of Krupp. Your health, in Stalingrad!" (P. 17-18) "You want decidedly to enter Berlin first? If we attack Berlin at once and the same time, this will be excellent for the idea of the United Nations. If the Allied Command would develop active operations in the West we shall be together on the eve of the battle of Berlin. We are not yet ready for the last battle. We have still to settle the basic questions. We have already settled many questions here and in Tehran. We have no serious differences. We have already settled the questions concerning the occupation of Germany. In principle, only in principle. And concerning the reparations. Conditionally. No, not conditionally, but finally. We have also specified our general view point on the Western frontier of Poland. Conditionally." (Pp. 18-19) "I have the last friendly request to you! I request you to drink the health of the King of England. I am a monarchist, Mr. Churchill, I am your guest, Mr. Stalin, please do me a favour. If you need it so much. Whose health you say? I offer a toast for the King of Britain. I drink the health of Mr. Kaliulin."

## (Serial II)

Part V (P. 10)—"Frits! Keep this with Muller on the Kurfuerstenstrasse. He is connected with the Americans and will keep it safe". "Berlin is entirely encircled by the Russian troops.
